Leg options

The diverse legs of Metacharm create a different linear style and office atmosphere with a clear linear structure. Squared legs are ideal for spacious, open offices. The triangular legs help to create a more modern and cutting-edge office space.

Color Guide

All the adopted plain panels come from the largest panel manufacture in Asia-Metro (Thailand) and Mico (Malaysia).The panel is in line with the international environmental standard --E0 grade ,the maximum formaldehyde emission is less than 5mg for each 100g Wood-based panel.

The veneer is adopted German Suddekor paper which not only has great quality but also maintaining the special feature of wood with vivid lines.
